

**RETALIATION PROTECTION
REGARDING THE REPORTING OF WORK-RELATED INJURIES OR ILLNESSES**

An employer is prohibited from discharging or in any manner discriminating or retaliating against any employee for reporting work-related injuries or illnesses as per Federal Regulations and State of Michigan Rules under the Occupational Safety and Health Administration (OSHA/MIOSHA). All Wayne State University employees have the right to report work-related injuries or illnesses, free from retaliation. Wayne State University encourages employees to report all injuries or illnesses by filing a WSU Report of Injury form, which may be found at www.risk.wayne.edu, or by requesting the Report of Injury form from the employee's department or directly from the Office of Risk Management.
